Glass Doors (and windows on entry doors)

- Clean with glass cleaner the interior and exterior of any glass door (front door, back door, sliding door leading to 3 seasons room, etc) or window(s) on any entry door.

Other Services Not Offered:

- * Wet wiping light bulbs: time and risk of breakage is too high.
- * Putting away dishes, because we don't want to stack things in a way that you would not (and to reduce risk of breakage).
- * Cleaning that requires climbing on ladders
- * Cleaning exterior windows or very high windows
- * Mold removal
- * Deep stain removal
- * Insect and pest removal
- * Cleaning pet messes, litter boxes, picking up animal feces, etc.
- * Cleaning blinds
- * Items that require heavy lifting (we do not move heavy furniture in order to clean behind or under it)

Move In/ Out Add-On - St. Pete's Maids

Note to Cleaners: House must be empty! If house is not empty, then call the office from site for approval before cleaning.

Follow standard clean checklist, but add the following:

- Clean inside kitchen and bathroom cabinets and drawers
